Re: MIP Process Technologies (Pty) Ltd. and Alliance Dust Control Services

Dear Sir / Madam,

As of 1<sup>st</sup> February 2013, MIP Process Technologies (Pty) ("MIP") Ltd has acquired all the rights for the supply of Alliance Dust Control Services ("ADCS") products.

MIP Process Technologies (Pty) Ltd ("MIP") is a majority black owned and 100% black managed South African based process equipment sales and supply company.

ADCS comes with a wealth of knowledge, with over 30 year's existence in the field of Air Pollution.

The ADCS equipment covers the full spectrum of Dry and Wet Air Pollution and includes the following:

- Bag Filters - reverse pulse
- Cartridge filters - reverse pulse
- Cyclones
- Wet & Dry Scrubbers
- Insertable filters
- Tubular type bag filters
- Fans
- Ducting
- All related dust filtration equipment
- Bags and cages
- Cartridges
- Servicing of existing equipment
- Drying equipment
- Screen Covers
- Mobile dust filtration units

All projects are on a turnkey basis i.e. design, manufacturing, delivery, all aspects of erection and commissioning.

This complements MIP's current products range, which includes:

- Attrition Scrubbers
- Chemineer range of Mixers/Agitators
- Flocculant plants
- Flotation Reagent make-up Plants
- Horizontal Linear Screens
- Slurry Samplers
- Thickeners and Clarifiers

We look forward to be of service and continue to add value to your company.

Yours faithfully,
